

We are here
We are breathing
We are human
We can see you
We can hear you
We can sense you
We all need love
We all need understanding
We all need each other
We cry
We Laugh
We share
We care
We all think
We all feel
We all exist
Young or old
Rich or poor
female or male
Tall or short
Little or big
Straight or Gay
Healthy or Sick
We Matter
We are Important
We are Wonderful
We are Beautiful
