

## CFL Bookplate Gifting

Gift a bookplate in a title of your choosing in Cortland Free Library's existing collection. It's two gifts in one!

**About the bookplate:** Our bookplate design features our colorful library logo as well as a hand-drawing of the Lamp of Knowledge, a motif that can also be found above the front door at the main library entrance.

### What you'll give:

- **\$50 or more** in unrestricted donations (via [Givelify](#) or by cash or check to Cortland Free Library).
- **Two title options for bookplate placement**, and library discretion to select an alternate title on the off-chance the first two are unavailable.
- **An inscription for the bookplate**, including the full name of the person in whose name the gift is being made, and the name of the individual or organization that is making the gift. Maximum character count: 150, with Library Director discretion to make minor edits as needed.

### What you'll get:

- A bookplate in your giftee's name placed in a title in the library's circulating collection.
- A letter of thanks on library letterhead.
- A letter of notification made out to your giftee, which you can present to them however you wish. This will include the amount of the gift as well as the title of the book in which they can find their bookplate.

Thank you for considering Cortland Free Library for your gift-giving. Email [director@cortlandfreelibrary.org](mailto:director@cortlandfreelibrary.org) or call (607) 753-1042 with questions.
